Join Deloitte Audit Delivery Center today!

Who we are

We are RADC- Regional Audit Delivery Center in Bucharest, the extended hand of the Client Facing Audit Team (CFT). Together, we ensure the delivery of high quality services to the clients. Our people represent potential future audit client facing team members and a future pipeline of quality professionals that can be added to audit client facing staff. Do you have the **curiosity** and **willingness to learn** that define us? If so, **join us** in our journey!

Who you are

- an University student of **any faculty** (Bachelor's or Master's studies);
- fluent in **English** and **German, French, Spanish or Italian;**
- interested in Audit;
- able to work in a team and be proactive;
- interested in international business environment and professional development;
- with a good command of the Microsoft Office package (mainly Excel and Word) and
- attention to detail, with a sense of responsibility and delivery of results;

Work you'll do

- You'll work closely with our Member Firm Client Facing Teams with the execution and delivery of our audit engagements. You will be working as part of a team working on distinct activities that form part of the end to end audit process and will be supported by experienced and highly skilled practitioners. You will have to:
- perform selected audit activities for various national and international companies and institutions;
- pre-process information necessary for each audit phase;
- prepare audit documentation to support the audit team based at our clients location.

What's in it for you

- Opportunity for a career in Finance for a non-Finance & Accounting graduate
- Modern offices with excellent facilities
- Good work-life balance – predictable working hours
- Office-based job with limited/no travel
- Working in a multi-national environment with Deloitte professionals from across Europe
- Extensive training and the possibility of acquiring external qualifications

The Team

- **Our team culture is collaborative** and encourages team members to take initiative and seek on-the-job learning opportunities
- **Our audit professionals are committed to excellence** and to enhancing the trust of the investing public and capital markets
- **Quality is our top priority**, and by focusing on innovation, we continue to raise the bar on quality and deliver greater value to our clients
